

artillery an illustrated history pdf

The Honourable Artillery Company (HAC) was incorporated by Royal Charter in 1537 by King Henry VIII and is considered the second oldest military corps in the world. Today, it is a registered charity whose purpose is to attend to the "better defence of the realm". This purpose is primarily achieved by the support of the HAC Regiment and a detachment of Special Constabulary to the City of London ...

Honourable Artillery Company - Wikipedia

A cannon (plural: cannon or cannons) is a type of gun classified as artillery that launches a projectile using propellant. In the past, gunpowder was the primary propellant before the invention of smokeless powder in the 19th century. Cannon vary in caliber, range, mobility, rate of fire, angle of fire, and firepower; different forms of cannon combine and balance these attributes in varying ...
