The Official World Golf Ranking is a system for rating the performance level of male professional golfers (although there is no rule prohibiting women from being ranked). It was introduced in 1986 and is endorsed by the four major championships and six major professional tours, five of which are charter members of the International Federation of PGA Tours:

College and university rankings are rankings of institutions in higher education which have been ranked on the basis of various combinations of various factors. Rankings have most often been conducted by magazines, newspapers, websites, governments, or academics. In addition to ranking entire institutions, organizations perform rankings of specific programs, departments, and schools.
