Hermeticism, also called Hermetism, is a religious, philosophical, and esoteric tradition based primarily upon writings attributed to Hermes Trismegistus ("thrice-greatest Hermes"). These writings have greatly influenced the Western esoteric tradition and were considered to be of great importance during both the Renaissance and the Reformation. The tradition claims descent from a prisca ...

The primary tool that the ToK use to manipulate a being into accepting nearly endless reincarnation is the (false) "Light Review." When a person's body dies, they move out into the astral realms and begin to shed most of their previously held identity. If this process were allowed to occur without interruption, the True Light of that being would emerge from within them and they would release ...
