Matrilineality is the tracing of descent through the female line. It may also correlate with a societal system in which each person is identified with their matriline – their mother's lineage – and which can involve the inheritance of property and/or titles. A matriline is a line of descent from a female ancestor to a descendant (of either sex) in which the individuals in all intervening ...

For those teaching Philosophy, a good suggestion is the graphic novel Logicomix by A. Doxiadis and C. H. Papadimitriou. It can be described as a historical novel which introduces the reader to some of the great ideas that modern Philosophy and Mathematics deal with and it is based on the early life of the philosopher Bertrand Russell.
