Languages are a fundamental aspect of peopleâ€™s lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the

past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

Council of Europe Language Policy Portal - coe.int

A reference work is a compendium of information, usually of a specific type, compiled in a book for ease of reference. That is, the information is intended to be quickly found when needed. Reference works are usually referred to for particular pieces of information, rather than read cover to cover. The writing style used in these works is informative; the authors avoid use of the first person ...
