America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

Newsweek is an American weekly magazine founded in 1933.. Between 2008 and 2012, Newsweek experienced financial difficulties, leading to the cessation of print publication and a transition to all-digital format at the end of 2012. The print edition was relaunched in March 2014. Revenue declines prompted an August 2010 sale by owner The Washington Post Company to audio pioneer Sidney Harman ...

As a follow-up to Tuesdayâ€™s post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

100 years ago, a series of studies about the education of health professionals, led by the 1910 Flexner report, sparked groundbreaking reforms. Through integration of modern science into the curricula at university-based schools, the reforms equipped health professionals with the knowledge that contributed to the doubling of life span during the 20th century.
