1. Introduction. Since its inception in 1988 (first issue in 1990), the mission of The Leadership Quarterly (LQ) has been to sustain and catalyze the development of innovative, multi-disciplinary research that advances the leadership field. Nearly 25 years later, this goal, along with many of the journal's other primary objectives, has been reached (Gardner, Lowe, Moss, Mahoney, & Cogliser, 2010).

A critical step in the reliable use of the Myers-Briggs Type Indicator is verification of type through a dialogue between the individual completing the inventory and the practitioner interpreting the results. After receiving the results, the client will read the description of the personality type, in the aggregate, to determine if it is largely accurate.
