Culturally relevant or responsive teaching is a pedagogy grounded in teachers' displaying cultural competence: skill at teaching in a cross-cultural or multicultural setting. They enable each student to relate course content to his or her cultural context. While the term often deals specifically with instruction of African American students in the United States, it has been proven to be an ...

Teacher education (TE) or teacher training refers to the policies, procedures, and provision designed to equip (prospective) teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community. The professionals who engage in this activity are called teacher educators (or, in some contexts, teacher trainers).

ABSTRACT. In this paper, Ken Zeichner draws upon his many years of experience as a teacher educator and discusses the use of the concept of reflection in teacher education around the world in relation to three issues: 1) the extent to which reflection has resulted in genuine teacher development, 2) contributed to a narrowing of the gaps in educational quality between students of different ...

Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.
