Baron Giulio Cesare Andrea Evola, better known as Julius Evola, was an Italian philosopher, painter, and esotericist. He has been described as a "fascist intellectual," a "radical traditionalist," "antiegaltarian, antiliberal, antidemocratic, and antipopular," and as having been "the leading philosopher of Europe's neofascist movement." Evola is popular in fringe circles, largely because of his extreme metaphysical, magical, and supernatural beliefs, and his extreme traditionalism and misogyny.

Julius Evola - Wikipedia
