A Handbook for Teaching and Learning in Higher Education A Handbook for Teaching and Learning in Higher Education is sensitive to the competing demands of teaching, research and scholarship, and academic management.

A Handbook for Teaching and Learning - UCV

International security, also called global security, refers to the amalgamation of measures taken by states and international organizations, such as the United Nations, European Union, and others, to ensure mutual survival and safety. These measures include military action and diplomatic agreements such as treaties and conventions. International and national security are invariably linked.

International Environmental Law (IEL) is concerned with the attempt to control pollution and the depletion of natural resources within a framework of sustainable development.

International Environmental Law - Public International Law

English has developed over the course of more than 1,400 years. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon settlers in the 5th century, are called Old English. Middle English began in the late 11th century with the Norman conquest of England and was a period in which the language was influenced by French.
