In role-playing video games, a magic satchel is a character's inventory in the game. The magic satchel can often contain more (or larger) items than should be physically possible for the character to carry. The concept is so common in fantasy fiction that it is parodied by the character The Luggage in the Discworld series.

The Color Me fabrics are very thin - lighter weight even than quilting cotton so I had to interface them with fusible craft-weight interfacing to make them sturdy enough for the kids to color on. Fortunately that was the only part of the bag that needed stabilizing - the other fabrics are duck cloth and canvas for the outer layer, and twill for the inner layer.
