Sexually submissive women don't play the games other women play. They love sex and only want to please you in every way they can. They won't reject you, they don't want you to spend your hard-earned money on them and you won't ever have to buy flowers again. Submissive women are addicted to pleasing the man who takes control of them and tells them what to do.

The extent to which women could participate in Japanese society has varied over time and social classes. In the 8th century, Japan had women emperors, and in the 12th century during the Heian period, women in Japan could inherit property in their own names and manage it by themselves: "Women could own property, be educated, and were allowed, if discrete (sic), to take lovers."
