

separatism among indian muslims pdf

A common definition of separatism is that it is the advocacy of a state of cultural, ethnic, tribal, religious, racial, governmental or gender separation from the larger group. While it often refers to full political secession, separatist groups may seek nothing more than greater autonomy. While some critics [who?] may equate separatism with religious segregation, racist segregation, or sexist ...

Since ancient times the world has had its list of (usually seven) wonders. In antiquity, the Great Pyramid of Giza (the only wonder from the original list still standing), the statue of Zeus at Olympia, the Colossus of Rhodes (a new, gigantic, version of which is being built today), and others were among the occupants of the list. Over time, the world's wonders changed depending on the ...
