brother or sister has been diagnosed with autism. You have come to the right place! You are likely experiencing lots of different feelings right now – you might be worried, scared, surprised, confused, sad or even mad. It is normal for you to have a mix of emotions because your life is now going to be a little different.

A Sibling's Guide to Autism

Oates, "Where Are You Going, Where Have You Been?" Eddie noticing anything. She spent three hours with him, at the restaurant where they ate hamburgers and drank Cokes in wax cups that were always sweating, and then down an alley a mile or so away, and when he left her off at five to eleven only the movie house was still open at the plaza.

Oates, 'Where Are You Going, Where Have You Been?'

The Sister Study Special Survey U.S. Department of Health and Human Services ... If you have more than one sister who had breast cancer, please think only about one sister in particular while answering these questions. Please write the name or initials of that sister here:

The Sister Study

Not only do I have a sister, I have a friend for life. No need to worry about who will be my maid of honor at my wedding or who will be my first child's godmother; life has thankfully already built that special person into my life, and it's my little sister.
