## **Conversation Confidence | Social Confidence Secrets**

â€ Both self confidence and self esteem relate to your perception of yourself, the former relates to your perception of your abilities and the latter relates to your perception of your worth or value. â€ Both concepts are closely related and those with low self confidence will often have low self esteem and vice versa.

## **LEAD WORKSHOP- Self Esteem - RMIT University**

Confidence is the power to be yourself. It brings a sense of entitlement, and makes you feel youâ€™re making a positive contribution. It can involve recapturing a child-like openness and self-belief. We gain

confidence by overcoming hurdles, by proving to ourselves that what weâ€™ve been told about our (lack of) abilities is not necessarily true.

### **Improve your social confidence | Psychologies**

They all have gained creative confidence. At its core, creative confidence is about believing in your ability to create change in the world around you. It is the conviction that you can achieve what you set out to do. We think this self-assurance, this belief in your creative capacity, lies at the heart of innovation.

### **Creative Confidence**
